

What advantages do I have through... a "PPA contract"?

PPA in energy procurement

Why are PPAs* such a popular building block in corporate energy procurement?

Purchase of a PPA

- Reduction of CO₂ footprint
- Risk management
- Planning security
 - Fulfillment of subsidy requirements
 - Sustainability, image and reputation

Marketing a PPA

Additional revenue from the sale of GoOs*

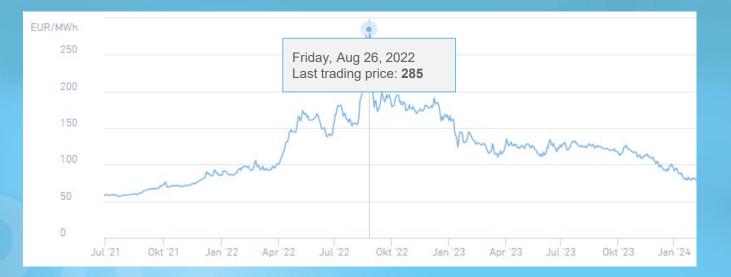

Planning security

Independence from curtailments (redispatch)

Elimination of obligations (redispatch EIV/BTR in the combined structuring model)

An example

Price fluctuations (power) using the example of Base-Cal-25

Ready for the future of energy supply?

Our team will be happy to accompany you on this journey. PPA@uniper.energy
